DOCUMENTS ATTACHED : Memorandum from Regional Executive Director, DENR Region 13 dated 07 January 2021 with enclosures (two (2) ring bounded reports of CRMF and FYWP)

DATE : AUG 05 2021

This pertains to the Memorandum dated 07 January 2021 from Regional Executive Director, DENR Region 13 submitting for the affirmation the Community Resource Management Framework (CRMF) and approval of the Five-Year Work Plan (FYWP) of CBFM-PO Sammilia Federation of Peoples Forest Development Cooperative (SFPFDC).

Pursuant to DAO No. 2004-29 and FMB Technical Bulletin No. 20, review and evaluation of submitted pertinent documents disclosed the following information in support to the affirmation of CRMF and approval of FYWP of CBFM-PO SFPFDC:

1. The SFPFDC is awarded with CBFMA No. 74004 issued on 14 July 2001 covering an area of 59,000 hectares located in the municipalities of Lianga, San Agustin, Marihatag and San Miguel, all in the province of Surigao del Sur.
2. SFPFDC is a federation consisting of the following cooperatives, namely:
 - a. Kahugpungan sa mga Marihatagnon Alang sa Kalambuan (KASAMAKA)
 - b. Christine Diatagon Multi-Purpose Cooperative (CDIMCO)
 - c. Development Cooperative Buhisan (Busan)
 - d. Marihatag Multi-Purpose Cooperative (MMPC)
 - e. San Agustin, Pongtod, Pong-on, Hornasan Multi-Purpose Cooperative (SAPPHOMCO)
 - f. San Agustin Development Cooperative (SANAG)
 - g. San Isidro Farmer Cooperative (SIFC)
3. SFPFDC is duly registered with the Cooperative Development Authority (CDA) with Registration No. 9520-13008681 dated 26 February 2010.
4. The CBFM-PO has envisioned to rehabilitate the open forest through reforestation, protect and preserve the environment from illegal activities, augment household income through livelihoods and to establish eco-tourism destination, among others in their CBFMA area.

Harnessing forestry science for sustainable development

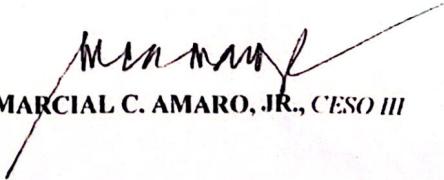

5. The community's objectives to achieve their vision are to rehabilitate the 25,150.13 hectares of open/denuded forest, increase the reforestation area of the production area, religiously manage the 4,401.11 hectares of protection forest for the sustainability of environment, intensify Communication, Education, and Public Awareness (CEPA) about CBFM and environment, increase household income by 20%, establish business managed by the Federation and establish harmonious collaboration to its partners and institutions, among others.
6. The PO intends for the coming years to harvest their planted 265.76 hectares of Falcata with estimated volume of 16,415.84 cubic meters, 100 hectares of Bagras with estimated volume of 831.53 cubic meters and 365.76 hectares of Rattan with estimated volume of 5,267,045.00 linear meters. Accordingly, SFPFDC will formulate the Benefit Sharing Scheme that they will deliberate during the General Assembly.
7. Strategies and activities are supported with vision map duly signed by the concerned CENRO Officer.

In view hereof, considering the completeness of the submitted documents and its consistency with DAO No. 2004-29 and FMB Technical Bulletin No. 20, this Office recommends for the affirmation of CRMF and approval of FYWP of **Sammilia Federation of Peoples Forest Development Cooperative (SFPFDC)**. Further, the Region shall ensure that any harvesting activities to be done by the CBFM-PO shall be in accordance with existing guidelines supported with timber inventory, replanting plan, benefit sharing mechanism and use of duly registered harvesting tools and equipment, among others. The CBFM-PO should also comply with the policy on no harvesting and cutting of timber in the natural and residual forests pursuant to Executive Order No. 23 dated 01 February 2011.

Likewise, with the effectivity on 17 July 2021 of DAO No. 2021-17 dated 21 June 2021, entitled "Guidelines for the Affirmation of the Community Resource Management Framework (CRMF) and Approval of Five-Year Work Plan (FYWP) of the Holders of Community-Based Forest Management Agreement (CBFMA)", the Regional Executive Director is authorized to affirm the CRMF and approve the first FYWP of the CBFM-POs while the PENRO is authorized to approve the FYWP for the 6th year onwards. However, since the request has already been endorsed to DENR Central Office, this Office finds it proper to evaluate the same instead of returning to DENR Regional Office, thus the affirmation of the CRMF and approval of the FYWP shall be the Undersecretary for Field Operations and Environment.

Should the Undersecretary concur, attached is a draft Memorandum for the Regional Executive Director of DENR Region 10 granting the affirmation of CRMF and approval of FYWP of **SFPFDC**.

FOR THE UNDERSECRETARY'S CONSIDERATION, PLEASE.
